GENERAL APPROACH

General Approach to Prehospital Patient Management	GA – 1
----------------------------------------------------	--------

MEDICAL

Abdominal Pain (Non-Traumatic)	M – 1
Altered Mental Status (Non-Traumatic and without Respiratory or Cardiovascular Complications)	M – 2
Anaphylactic Reaction with Respiratory Distress and Hypoperfusion	M – 3
Behavioral Emergencies	M – 4
Adult Cardiac Related Problem	M – 5
Cold Emergencies	M – 6
Pediatric Respiratory Distress/Failure	M – 7
Heat Emergencies	M – 8
Adult Obstructed Airway	M – 9
Pediatric Obstructed Airway	M – 10
Poisoning	M – 11
Adult Respiratory Arrest / Failure (Non-Traumatic)	M – 12
Pediatric Respiratory Arrest / Failure (Non-Traumatic)	M – 13
Cardiac Arrest – Adult and Pediatric	M – 14
Respiratory Distress (Shortness of Breath, Difficulty Breathing)	M – 15
Seizures	M – 16
Stroke	M – 17

TRAUMA

Amputation	T – 1
Bleeding (External)	T – 2
Burns (Chemical)	T – 3
Burns (Thermal/Electrical)	T – 4
Musculoskeletal Trauma	T – 5
Adult Major Trauma (Including Traumatic Cardiac Arrest)	T – 6
Pediatric Major Trauma (Including Traumatic Cardiac Arrest)	T – 7
Suspected Head or Spinal Injuries (Not Meeting Major Trauma Criteria)	T – 8
Eye Injuries	T – 9

SPECIAL CONSIDERATIONS

Oxygen Administration	SC – 1
Hypoperfusion	SC – 2
Emergency Childbirth and Resuscitation/Stabilization of the Newborn	SC – 3
Nebulized Albuterol	SC – 4
Refusing Medical Aid (RMA)	SC – 5

SEMAC ADVISORIES and BUREAU OF EMS POLICIES

Emergency Care of Persons with Hemophilia	SA – 97-01
Biphasic Automated External Defibrillator	SA – 97-02
Hyperventilation in Severe Traumatic Brain Injury	SA – 97-03
Medical Anti-Shock Trousers	SA – 97-04
Secondary Confirmation of ETT	SA – 02-01
AED for Pediatric Patients	SA – 02-02

Table of Contents

SEMAC ADVISORIES and BUREAU OF EMS POLICIES

Patient Carrying Devices	PS – 88-01
Tuberculosis	PS – 92-02
EMS Mutual Aid	PS – 95-04
Responsibilities of EMS Providers & Coordination of EMS Resources	PS – 98-05
ALS Intercepts	PS – 98-09
Emergency Patient Destinations	PS – 98-15
EMT-Basic Assisted Medications	PS – 99-01
Exposure to Blood and/or Body Fluids	PS – 99-06
Patient Care and Consent for Minors	PS – 99-09
Use of Epinephrine Auto Injectors by EMS Agencies	PS – 00-01
Transition of Care	PS – 00-03
Storage and Integrity of Prehospital Medications and Intravenous Fluids	PS – 00-14
Storage and Integrity of Prehospital Medications by EMT-Bs	PS – 00-15
Abandoned Infant Protection Act	PS – 01-05
Requirement to Report Instances of Suspected Child Abuse or Maltreatment	PS – 02-01
Prehospital Care Reports	PS – 02-05
Needlesticks and Sharps Injuries	PS – 02-09
Response Planning to a Suspected Biological Infectious Disease Incident	PS – 03-02
Instructions for completing a Version 5 NYS PCR	PS – 03-03
Chemical Terrorism Preparedness and Response Card	PS – 03-04
Mark 1 Kits	PS – 03-05
